### **FALL INTO MENDOCINO'S AWARD-WINNING BREWERY GULCH INN**

*Ocean Views, Cozy Fireplaces, Two-Person Soaking Tubs, In-Room Massages and Farm-to-Table Cuisine Make a Visit to the Brewery Gulch Inn the Perfect Fall Escape*

**MENDOCINO COUNTY, CA – (May 6, 2015)** – As summer wanes and the crowds begin to recede, California's North Coast slips into its most magical time of the year. There are few places in this country where mere light will take your breath away, but that is the beauty of a Mendocino autumn.

When the days turn crisp and the ocean stirs itself into a painter's palette of blue, green and white, retreat to the Brewery Gulch Inn, a redwood cathedral perched high on a blufftop. Gourmet meals, quiet luxury and attendant staff are the hallmarks of this Arts & Crafts 4-diamond property. You'll find that there is no better home base for exploring the coast in this hidden season.

As you begin each day with table service and a full menu of delicious choices prepared by an executive chef from locally-sourced ingredients, you'll be reminded why this is no ordinary bed and breakfast. Once your hunger has been sated, venture out for a day of wine tasting at some of the nearby Anderson Valley's 30+ world-class wineries. Or choose to stay on the coast and paddle up the Big River in a custom-made redwood outrigger canoe. Located less than a mile from the inn, the town of Mendocino itself is situated in the middle of Headlands State Park and is surrounded on three sides by the surging Pacific. If you are a fan of *Murder She Wrote*, or any one of the more than 75 movies filmed here, you will experience a déjà vu moment as you walk the town's wooden sidewalks and explore the many shops and galleries of this picturesque community.

As the afternoon slides toward evening and a crispness returns to the air, head back to the Brewery Gulch Inn, where you will be greeted by the smell of woodsmoke and the long light of autumn cascading into the Great Room. The chef will have prepared for you a beautiful evening buffet carefully paired with a selection of local wines. After dinner, grab one of the inn's 500+ DVDs and retreat with your special someone to the two leather club chairs situated in front of your fireplace and relax as you think about all there is to still be explored on California's hidden coast.

Mention ***"Fall Into Mendocino"*** when booking any stay of two or more nights during November (excluding November 25 through 28) and receive one complimentary in-room massage when a second of equal or greater value is booked.
