**BREWERY GULCH INN NAMED #2 HOTEL IN NORTHERN CALIFORNIA IN  
CONDÉ NAST TRAVELER'S READERS' CHOICE AWARDS**

*Renowned Mendocino Coast Property Adds Conde Nast Traveler  
to Its List of Recognitions in 2018*

**MENDOCINO, CA – (Oct. 10, 2018)** – *Condé Nast Traveler* today announced the results of its 31st annual Readers' Choice Awards, and the Mendocino coast's celebrated Brewery Gulch Inn is once again on the list. With nearly a half million votes cast, Conde Nast readers ranked this iconic inn the #2 hotel in Northern California and third in the state. This recognition closely follows voting results from the 2018 *Travel + Leisure World's Best Awards* which placed Brewery Gulch Inn among the top 100 Hotels in the world; the top 15 resort hotels in the continental United States and the top 5 resort hotels in California.

Guy Pacurar, owner of the Brewery Gulch Inn, acknowledged what a rare distinction this latest recognition is. "We are honored that the readers of such a venerable publication as *Condé Nast Traveler* chose to single us out in this way. We pride ourselves on creating an extraordinary home-away-from-home experience here on the Mendocino Coast, and we are grateful that so many of our past guests have taken the time to recognize our efforts with their votes."

Constructed in 2001 from 150-year old redwood that was eco-harvested from the bottom of the nearby Big River, the **Brewery Gulch Inn** is an architectural masterpiece that is surrounded by serene gardens and restored wetlands. Its main building boasts a 15-foot cathedral ceiling in the Great Room, complete with a stunning, four-sided glass-and-steel fireplace, and floor-to-ceiling windows for guests to take in the dramatic views of the Pacific Ocean. Architect Caroline La Pere utilized these woods and more to create an environment that is expansive yet cozy, modern yet timeless, and light-filled yet earthy. Hummingbirds buzz and birds chatter outside the windows, while deer, turkeys, and other wildlife roam the meadow outside the Inn.

All of the inn's 10 romantic guestrooms provide picture perfect views of Smuggler's Cove, while many of them offer deep soaking tubs and private decks. Each guestroom offers soothing earth tones, feather beds cloaked in Sferra linens, state-of-the-art flat panel televisions, DVD players, charging stations and Bluetooth speakers. And in the bath, Molton Brown and Asprey products, Himalayan bath salts, and thick Abyss towels allow guests to indulge.

The *Condé Nast Traveler* Readers' Choice Awards are the longest-running and most prestigious recognition of excellence in the travel industry and are commonly known as "the best of the best of travel."

The 2018 Readers' Choice Awards are published exclusively on *Condé Nast Traveler's* website at [www.cntraveler.com/rca](http://www.cntraveler.com/rca) and celebrated in the November 2018 issue (on newsstands nationwide on October 16).
